Refocus That Please – By Ralph Reiley

There were 15 people at the May meeting where we judged the May 2010 ISCC entries, see detailed story in the **September** issue of the **Freeview**. This special issue is just to announce the Summer meeting at the Fish Camp in Duluth. Another announcement will be sent out a week before the event.

Special Summer Meeting August 14, 2010:

Mark you calendars now! Don't miss it if you can! See page 2 for a detailed map to the fish camp. This special meeting will be at the fish camp on the lake. The program is informal, but it is hoped that we will discuss a number of things for the coming club meetings for our 2010-2011 year. Ideas for programs and demonstrations are welcome. We will also discuss ideas for a 3-D Event the club will hopefully sponsor next year. The club will provide some grilled burgers, hot dogs, and maybe some pulled pork or some other roasted beastie. Bring a dish to share for the pot-luck. Bring some cold beers, or the beverage of your choice. The activities will start around 4:00 and go on till dusk, or whenever. See page 2 for details.
